

This is Where We Work

A large earth in County Limerick, Ireland, which was excavated to make way for a road scheme, revealed an extensive tunnel system. Over time many species can occupy these tunnels, they are extended and enlarged to form complex underground structures. Pests use these structures frequently for shelter.

● Tube
● Kick-out (Spoil)
● Entrance

Scale 1m

The legend is located in the bottom-left corner of the image. It consists of three items: a dark brown circle followed by the text "Tube", a light brown circle followed by "Kick-out (Spoil)", and a black circle followed by "Entrance". To the right of these items is a white square with a thin red border, and below it, the text "Scale 1m".
